

Denial of Permission to Publish

Northwest Allen County Schools uses web pages to publicize the good things happening at our schools and the good work done by our students.

If the student or their parent/guardian **DOES NOT** want the student's name, photo, or work published on the corporation web site or to be involved in activities that could be publicized in local publications, this form **MUST** be completed and submitted to the school. This will remain on file for the current school year only.

Please note that we are unable to control photos that may be taken by parents, students, or spectators at public events.

Signing below denies permission to publish the student's name, photo, or work on the NACS web site.
